

Plan of Action

Events	Rationale
<p>Advisor Registration Portal opens August 1</p>	<p>We are asking advisors to register first starting August 1. No students will be able to register until there is an advisor interested in starting a chapter.</p>
<p>Student Registration Portal opens August 15</p>	<p>Students will be able to log on, register and pay themselves BUT if the teacher has not registered their school yet, the school will NOT appear in the pull down menu. Students will NOT be able to register.</p>
<p>Fall Symposium Will take place on Tuesday, September 24</p>	<p>Too early for any work-to-rule directives Status quo Teachers only will be able to register their school; max of 5 students per school</p>
<p>Regionals Event Assignment Deadline October 1</p>	<p>The Regionals drag-and-drop into events has been moved up two weeks to October 1. We need to determine based on our overall membership if we need to collapse a regional or if it's status quo. We had 15 000 students register this year. If only 2 000 register, then we would need to collapse all regionals except for one. We will determine which one when and if the time comes.</p>
<p>Decision to run Provincials or to cancel November 1</p>	<p>Status Quo Positive climate and contract talks are good and moving along Cancelled if talks stall to the point that ALL of the unions have not settled and that work-to-rule or strike is imminent by Christmas or the start of semester 2</p>
<p>Decision to run ICDC or to cancel March 1</p>	<p>Status Quo If Provincials took place, then the qualifiers from Provincials will move on to ICDC. Provincials Cancelled If Provincials was cancelled and the only competition that took place was regionals, and school boards and the unions are allowing international travel and trips, then the qualifiers will be determined from the pool of students who actually competed at Regionals. Test and in-person case oral competition and in the case of the written events, test only. ICDC cancelled If regionals did not take place and provincials did not take place, no one is allowed to attend ICDC.</p>
