### DECA Ontario Chapter Written Events Statement of Assurances

The statement of assurances will be signed by the Chapter Advisor ONLY. A listing of all the participants and their event code is recorded below. If one member of a group is not attending the competition or the paper is NOT going to be submitted at all, please cross their name out under Team Names.

As the Lead Chapter Advisor, you will verify that the [Statement of Assurances](#) statements are true and that the students' work does not constitute plagiarism. Additionally, the papers have been vetted by you and that you can certify that the students' papers follows DECA's formatting guidelines. Sign, scan and email this form to [papers@deca.ca](mailto:papers@deca.ca). Due Thursday, January 11, 2018.

### DECA Ontario Chapter Written Events Statement of Assurances

The statement of assurances will be signed by the Chapter Advisor ONLY. A listing of all the participants and their event code is recorded below. If one member of a group is not attending the competition or the paper is NOT going to be submitted at all, please cross their name out under Team Names.

As the Lead Chapter Advisor, you will verify that the [Statement of Assurances](#) statements are true and that the students' work does not constitute plagiarism. Additionally, the papers have been vetted by you and that you can certify that the students' papers follows DECA's formatting guidelines. Sign, scan and email this form to [papers@deca.ca](mailto:papers@deca.ca). Due Thursday, January 11, 2018.

### DECA Ontario Chapter Written Events Statement of Assurances

The statement of assurances will be signed by the Chapter Advisor ONLY. A listing of all the participants and their event code is recorded below. If one member of a group is not attending the competition or the paper is NOT going to be submitted at all, please cross their name out under Team Names.

As the Lead Chapter Advisor, you will verify that the [Statement of Assurances](#) statements are true and that the students' work does not constitute plagiarism. Additionally, the papers have been vetted by you and that you can certify that the students' papers follows DECA's formatting guidelines. Sign, scan and email this form to [papers@deca.ca](mailto:papers@deca.ca). Due Thursday, January 11, 2018.

### DECA Ontario Chapter Written Events Statement of Assurances

The statement of assurances will be signed by the Chapter Advisor ONLY. A listing of all the participants and their event code is recorded below. If one member of a group is not attending the competition or the paper is NOT going to be submitted at all, please cross their name out under Team Names.

As the Lead Chapter Advisor, you will verify that the [Statement of Assurances](#) statements are true and that the students' work does not constitute plagiarism. Additionally, the papers have been vetted by you and that you can certify that the students' papers follows DECA's formatting guidelines. Sign, scan and email this form to [papers@deca.ca](mailto:papers@deca.ca). Due Thursday, January 11, 2018.

### DECA Ontario Chapter Written Events Statement of Assurances

The statement of assurances will be signed by the Chapter Advisor ONLY. A listing of all the participants and their event code is recorded below. If one member of a group is not attending the competition or the paper is NOT going to be submitted at all, please cross their name out under Team Names.

As the Lead Chapter Advisor, you will verify that the [Statement of Assurances](#) statements are true and that the students' work does not constitute plagiarism. Additionally, the papers have been vetted by you and that you can certify that the students' papers follows DECA's formatting guidelines. Sign, scan and email this form to [papers@deca.ca](mailto:papers@deca.ca). Due Thursday, January 11, 2018.
