Leverage this community of people - our Facebook page alone reaches between 4,000 and 10,000 people each week. Depending on the level of your contribution, you have a chance to be featured on our website, social media outlets, blog, conference programs, and even have a booth at one of our conferences.

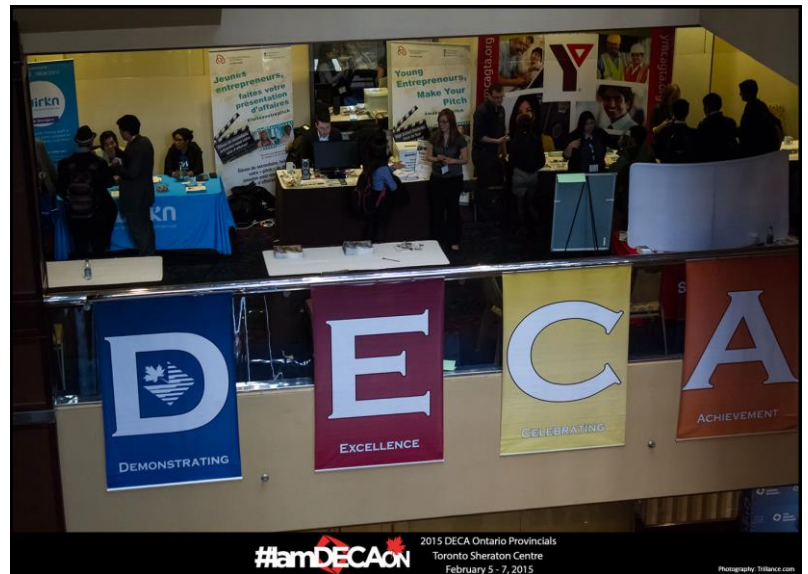

Recruiting

96% of our members go onto post-secondary education, compared to the national average of 26% (Statistics Canada, Labour Force Survey, 2006), and 23% of them will pursue Masters' Degrees. DECA Ontario is a collection of the **most intelligent and driven high school students** in Canada. This is your opportunity to make an impression on the next wave of prospective employees.
