

2021 Virtual International Career Development Conference

Registration Package
April 12 to May 6, 2021

March 7, 2021

Dear Advisor,

Congratulations on the success of your students at this year's Provincial Competitions!

Before you complete your ICDC Registration online, please ensure your students are indeed available during the competition dates. The competitions are during the day and you may have to arrange 'field trips' or arrange time off for your students so that they may compete. See page of this document: [April 12 – May 6, 2021](#)

IMPORTANT DEADLINES: Completed ONLINE Registrations and PAYMENTS are due by March 12, 2021

Please organize and forward the ICDC Registration Package as follows:

1. Preferably ONE SCHOOL CHEQUE made payable to **DECA** but you will have the option to have the students pay directly online (similar to membership/provincials payment portal)
2. 2021 ICDC Invoice

**Students will have the ability to UPDATE their own information online!
As the advisor, you will simply ensure that it is COMPLETE and accurate!**

ONLINE ICDC Registration through your Advisor Login control panel. ICDC tab will only become live for schools that have student qualifiers or LDA delegates for ICDC!

MUST be COMPLETED BY March 12, 2021

Registration Costs	Competitors	\$75
	Advisors/Leadership delegates	\$50

Delegates will receive a SWAG packet as part of the fee from the DECA INC. including a t-shirt (size must be included in online registration). Items will be BULK shipped to the school.

ICDC COMPETITIVE EVENTS BLAZER REQUIREMENT

DECA Blazers are required when making a presentation (recorded or live) in front of a judge. However, if competitors are unable to access a DECA Blazer due to COVID-19, members may wear a blazer, sport coat or a professional jacket.

ICDC SUBSIDY

Subsidies will be awarded to students based on the mandatory attendance and active participation of ONE workshop and ONE Trainer session in March/April. All registrations will be through EventBrite. Additional details to follow.

ICDC ATTENDANCE REQUIREMENT

A minimum of one advisor per school is required by DECA INC. if you are sending any competitors/leadership students. There will likely be an expectation that advisors will be hosting a competition or are expected to recruit judges. Additional details to follow.

REFUNDS / CANCELLATIONS

No refunds will be granted for adjustment of a chartered association's registration after 4:30 p.m. ET on Friday, April 2, 2021.

If you need assistance, please contact me personally via e-mail at olga@deca.ca

Sincerely,

Olga Plagianakos
DECA Ontario, Executive Director

For preliminary competition, we will use AnswerWrite for online testing and DLG JudgePro for written entry uploads, role-plays, and presentations. Members will record their presentations on the designated day, upload them, and submit the link. Detailed instructions will be provided no later than March 15. For final competition, we will be using a video conference software for live presentations. They will be held on a schedule during the designated day of final competition. Please ensure that your competitive events qualifiers will be able to participate using live video conference software at any given point during the school day on this day before registering. During the live final video competition, an adult proctor will join the student member(s) and judge(s).

We will need volunteer judges to help evaluate our competitive events. Please visit deca.org/volunteer to learn more or [sign up](#) now.

As of now, we are not asking chapter advisors to run events so that they can focus on helping their student members with their competition. The competitors will need to be on camera when recording their video.
