

December 1, 2022

This February, students from across Ontario will be competing at the 44th Annual Ontario DECA Provincials Competition. Over 6 000 students are expected to participate from over 250 high schools. We need YOUR support to make this competition a success. Approximately 500 judges are needed from 8:00 am - 5:00 pm on this February 13, 2023.

Our main goal here is to provide our students with an opportunity to compete, be judged by industry professionals like you. Help us narrow down by selecting the best of the best to represent Ontario at the International competition taking place later on this spring. Choose from one of the events below or we will be happy to slot you in ourselves.

NB If you have a son/daughter competing, please do NOT choose their event to Judge; it would be a conflict of interest.
