

2017-2018

**DECA Ontario
Leadership Development
Academy Leads Application**

We encourage every member of DECA Ontario to participate beyond its competitive events. This year, we introduce the new DECA Ontario Leadership Development Academy Leads program to engage DECA members with the opportunity to attend the association officer training workshop at ICDC 2018 and gain transferable knowledge towards their personal chapters.

It is important to note that a position on the LDA Leads team is a separate distinction from the current LDA program and is not a part of the Provincial Executives or their responsibilities. Although, the members of the LDA Leads will also be granted an interview in applying to the following year's Provincial Executive Officer team. Through applying, you must be committed to a position as an LDA Lead.

This year, a maximum of 10 spots is available at the Empower Academy at ICDC 2018. Application to this position is open to every DECA Ontario member, however, you must meet all the following criteria to be eligible to apply for this position:

1. All candidates must be in grade 10 or 11 during the 2017-2018 year
2. All candidates must have an academic average of 80% or higher
3. All candidates must have past leadership experience or training inside or outside of DECA
4. All candidates must have previous participation in DECA
5. All candidates must be able to attend ICDC 2018 in Atlanta, Georgia
6. All candidates must have the approval of their advisor and that the advisor is in fact attending ICDC 2018
7. Maximum one application per chapter

Please follow the application checklist on the next page and complete this application package entirely. Any incomplete applications will be nullified.

Sincerely,
Your 2017-2018 Provincial Officer Team
